

Voice your opinion on the future of the National Assembly for Wales

- Has the Assembly got the powers it needs to deliver for Wales?
- Is the Assembly's electoral system sufficiently representative and is the number of members adequate to the task?

The Richard Commission has been set up to produce an independent report on these issues – it wants to hear your views.

A meeting will be held with the Commissioners between 3.30pm and 5.00pm on Thursday 24 July at the Hospitality Pavilion (G489).

No ticket or entrance fee required.
